1 Introduction

- 1.1 The District of Derbyshire Dales is an area of spectacular countryside, approximately half of which lies within the Peak District National Park. The District is home to approximately 71,000 people living in four main centres of population, Ashbourne, Bakewell, Matlock and Wirksworth, which are all attractive market towns, and the 100 or so smaller villages. Some of the attractions that are located in the District include Chatsworth House, Haddon Hall, Sudbury Hall, The Heights of Abraham, Gulliver's Kingdom and many picturesque Dales along the Rivers Derwent, Dove, Lathkill and Wye.
- 1.2 The tourism and hospitality industries contribute greatly to the District's economy and this is reflected in the wealth and diversity of premises affected by the Licensing Act 2003. At the time that this revised Policy was adopted there were approximately 450 premises licensed for the sale or supply of alcohol, provision of regulated entertainment and the provision of late night refreshment.
- 1.3 This Licensing Policy Statement is based on the Licensing Act 2003 ("the Act") and is in line with the Guidance issued by the Department of Culture, Media and Sport (DCMS) and the Home Office, under Section 182 of the Act, (latest revision March 2015).
- 1.4 The District Council is the licensing authority under the Act and is responsible for granting premises licences, club premises certificates, temporary events notices and personal licences. These licences are required for the sale and / or supply of alcohol, the provision of regulated entertainment and the provision of late night refreshment. The term "Licensing Authority" has been used throughout this document to describe the functions of the District Council under the Act.
- 1.5 This Policy sets out the manner in which applications will be considered. Each application will be considered on its individual merits.
- 1.6 The Policy will not be used to fix the hours during which alcohol may be sold.
- 1.7 The Policy is not intended to regulate matters provided for in any other legislation. Instead it is intended to complement such regimes as planning, health & safety, fire safety, noise and nuisance control, etc.
- 1.8 The Licensing Authority wishes to encourage licensees to provide a wide range of entertainment activities within the District and to promote live music, dance, theatre etc for the wider cultural benefit of the community.
- 1.9 Before determining the Policy the Licensing Authority must consult:
 - Derbyshire Constabulary's Chief Officer of Police
 - Derbyshire Fire and Rescue Service
 - persons / bodies representative of local holders of premises licences
 - persons / bodies representative of local holders of club premises certificates
 - persons / bodies representative of local holders of personal licences
 - persons / bodies representative of businesses and residents in the District
- 1.10 In addition we have consulted bodies such as the Community Safety Partnership and all of the Responsible Authorities listed on pages

2 Licensing Objectives

2.1 The Licensing Authority has a duty under the Act to carry out its functions with a view to promoting the licensing objectives:

- prevention of crime and disorder
- public safety
- prevention of public nuisance
- protection of children from harm

2.2 These objectives are of equal importance and are the only matters that may be taken into account when determining licensing applications.

2.3 The licensing function is only one method of delivering these objectives. The Licensing Authority will continue to work in partnership with its neighbouring authorities, the police, the fire and rescue service, local businesses, licensees and local people, towards the promotion of the objectives.

2.4 These objectives will be considered when determining applications for any of the licensable activities listed in the Act, and summarised as follows:

- retail sale of alcohol
- supply of alcohol to club members
- provision of regulated entertainment – to the public, to club members, or with a view to profit:
 - a performance of a play
 - an exhibition of a film
 - an indoor sporting event
 - boxing or wrestling entertainment
 - a performance of live music
 - any playing of recorded music
 - a performance of dance
- supply of hot food and / or drink from any premises between 11pm and 5am.

2.5 The licensing authority recognises there is no public health licensing objective and therefore cannot conduct its licensing function specifically with the aim of promoting public health as, the licensing function can only be carried out to promote the four licensing objectives as set out by the Licensing Act 2003. However, the licensing authority believes that public health has much to contribute to licensing and through ensuring the responsible selling of alcohol (by for example preventing drunkenness, restricting access of alcohol to underage persons etc.), this may have a positive impact on reducing a person's drinking at harmful or hazardous levels.

The licensing authority encourages individual premises to sign up to the Public Health 'Responsibility Deal'. This encourages businesses and other influential organisations to make a significant contribution to improving public health committing to taking action voluntarily through their responsibilities as employers, as well as through their commercial actions and their community activities. Further Information can be found at: <https://responsibilitydeal.dh.gov.uk/>

The Director of Public Health is responsible for making representations and observations on applications on behalf of health bodies. Public health and the other health bodies have unique access to data and evidence not available to other responsible authorities and which may inform licensing decisions, particularly in relation to cumulative impact policies. When such evidence/data is presented it will be considered and where links are made to any of the four licensing objectives it will be taken into account by the licensing authority in reaching its decision.

3 Fundamental Principles

- 3.1 Licensing is about regulating licensable activities on licensed premises, at qualifying clubs, and at temporary events within the terms of the Act. Any conditions attached to various authorisations will be focused on matters within the control of individual licensees and others in possession of relevant authorisations. These matters will centre on the premises being used for licensable activities and the vicinity of those premises. Whether or not incidents can be regarded as in being “in the vicinity” of licensed premises is a question of fact and will depend on the particular circumstances of the case. Where there is dispute, the question will ultimately be decided by the Courts.
- 3.2 In addressing this issue the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working, or engaged in normal activity in the area. Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and beyond the direct control of the individual, club or business holding the authorisation. Nevertheless, licensing law does have an important role to play in these matters and the Licensing Authority wishes to use all relevant controls in managing the evening and night-time economy.

4 The Need for Licensed Premises

- 4.1 “Need” concerns the commercial demand for another pub or restaurant or hotel. This is not a matter for the District Council in discharging its licensing functions, or for this Policy. “Need” is a matter for planning committees and for the market.

5 Cumulative Impact

- 5.1 In some town centres, where the number, type and density of premises selling alcohol on the premises are unusual, serious problems of nuisance and disorder outside or some distance from licensed premises may occur.
- 5.2 Where there is evidence that such a problem exists the Licensing Authority may adopt a Special Policy relating to cumulative impact.
- 5.3 The effect of a Special Policy would be that applications for new premises licences or club premises certificates would normally be refused if relevant representations to that effect are received, unless it can be demonstrated that the operation of the premises involved will not add to the cumulative impact already being experienced. Applicants would need to address the Special Policy issues in their operating schedules.
- 5.4 In order to adopt a Special Policy, the Licensing Authority has to take the following steps:

- identification of concern about crime and disorder or public nuisance
- consideration of whether it can be demonstrated that crime and disorder and nuisance are arising and are caused by the customers of licensed premises and if so, identifying the area from which problems are arising; or that risk factors are such that the area is reaching a point when a cumulative impact is imminent
- consultation with relevant bodies (as specified in the introduction to this Policy)
- inclusion of the Special Policy in the Licensing Policy
- publication of the Special Policy

5.5 Derbyshire Dales District Council is not proposing to adopt a Special Policy about cumulative impact at this time. The absence of a Special Policy does not prevent any responsible authority or interested party making representations on new applications on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives.

6 Other Mechanisms for Controlling Cumulative Impact

6.1 Whilst the Licensing Authority does not intend adopting a Special Policy there are other mechanisms that may be used to address behaviour that causes public nuisance, crime or disorder, for example:

- planning controls
- positive measures to create a safe and clean town centre environment in partnership with local businesses, transport operators and other departments of the local authority.
- the provision of CCTV surveillance in town centres, ample taxi ranks, provision of public conveniences open late at night, street cleaning and litter patrols
- powers of the Licensing Authority to designate parts of the District as places where alcohol may not be consumed publicly
- police enforcement of the general law concerning disorder and anti-social behaviour including the issuing of fixed penalty notices
- the prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk
- the confiscation of alcohol from adults and children in designated areas
- police powers to close down instantly for up to 24 hours any licensed premises or temporary event on the grounds of disorder, the likelihood of disorder or noise emanating from the premises causing a nuisance
- the power of the police, other responsible authorities or a resident or business to seek a review of the licence or certificate in question

6.2 These may be supplemented by local initiatives promoted by partnership working of the Licensing Authority and the Responsible Authorities, in support of other legislation and guidance – eg Crime and Disorder Act 1998, Clean Neighbourhoods and Environment Act 2005, Violent Crime Reduction Act 2006, Health Act 2006 (workplace smoking ban), Policing and Crime Act 2009, Police Reform and Social Responsibility Act 2011, Anti-Social Behaviour, Crime and Policing Act 2014, Alcohol Harm Reduction Strategy, Local Government Regulation's (LAC^{ORS}) Practical Guide to Test Purchasing, etc.

7 Licensing Hours

- 7.1 The Licensing Authority will determine licensing hours on the individual merits of each application taking into account the operating schedule and any relevant representations. Longer licensing hours for the sale of alcohol can avoid large concentrations of customers leaving premises at the same time. This is necessary to reduce the friction at late night fast-food outlets, taxi ranks and other sources of transport which lead to disorder and disturbance.
- 7.2 The Licensing Authority will not set fixed trading hours within a designated area. This practice is known as 'zoning', and experience in Scotland suggests that it may lead to significant movement of people across boundaries resulting in greater disturbance in the streets.
- 7.3 Applicants should be aware that there are few areas in the District where licensed premises do not have the potential to impact upon residential properties and they will be expected to demonstrate how they will prevent their premises from giving rise to crime, disorder and public nuisance.
- 7.4 Generally shops, stores and supermarkets will be allowed to sell alcohol for consumption off the premises at any time when they are open for shopping, unless there are very good reasons for restricting these hours. For example, a limitation may be appropriate following police representations in respect of a shop known to be a focus of disorder and disturbance.

8 Children

- 8.1 This Policy seeks to protect children from physical, moral or psychological harm in line with the licensing objectives. Areas that will give rise to particular concern in respect of children include premises:
- where entertainment or services of an adult or sexual nature are commonly provided
 - where there have been convictions of members of the current staff at the premises for serving alcohol to minors or with the reputation for underage drinking
 - with a known association with drug taking or dealing
 - where there is a strong element of gambling on the premises (but not for example, the simple presence of a small number of cash prize gaming machines, although applicants will need to ensure that the siting of these machines is such that they minimise the potential to give rise to harm)
 - where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at the premises
- 8.2 It would be unusual for the Licensing Authority to completely prohibit children from having access to premises. A range of alternatives is available for limiting their access where that is necessary in order to protect them from harm:
- limitations on the hours when children may be present
 - exclusion of children under certain ages when particular specified activities are taking place
 - limitations on parts of premises to which children might be given access
 - age limitations (under 18)

- requirements for accompanying adults
 - full exclusion of those people under 18 from the premises when any licensable activities are taking place
- 8.3 The Licensing Authority will not impose any condition which requires the admission of children to any premises.
- 8.4 The Licensing Authority considers the Competent Body to advise on matters relating to the protection of children from harm to be the Derbyshire Local Safeguarding Children Board. A copy all applications for new licences or major variations will be sent to this Responsible Authority.
- 8.5 A further measure that should be considered in this context is the implementation of proof of age schemes. The Licensing Authority particularly commends schemes that carry the Proof of Age Standards Scheme (PASS) hologram logo.
- 8.6. The applicant must comply with the requirements of The Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010, which makes proof of age schemes a mandatory condition of any licence to sell alcohol.

9 Children and Cinemas

- 9.1 Where film exhibitions are held at premises, the Licensing Authority will expect licensees or clubs to include in their operating schedules arrangements for restricting children from viewing age restricted films classified according to the recommendations of the British Board of Film Classification (BBFC), or in specific cases, by the Licensing Authority, itself.
- 9.2 In addition, all licences or certificates authorising film exhibitions must include a condition restricting the admission of children in accordance with the recommendations given to films by the BBFC or by the Licensing Authority.

10 Integrating Strategies

- 10.1 The Licensing Authority will ensure the proper integration of this Policy with local crime prevention, planning, transport, equality schemes and cultural strategies, in carrying out its licensing functions, through consultation, liaison and partnership working.
- 10.2 The Licensing Authority will expect applicants for premises licences and club premises certificates to have taken into account the Licensing Authority's Strategies when drawing up the operating schedule part of the application.

Crime Prevention

- 10.3 The Licensing Authority will encourage applicants and existing licence-holders to participate in crime prevention/community safety initiatives for licensed premises, developed with partners; for example, campaigns such as, (but not exclusively), 'Intoxicated – No Sale', and 'Intoxicated – No Entry', 'Safe and Responsible', or similar.
- 10.4 Where relevant representations are received or where they are suggested by the operating schedule, the Licensing Authority may attach conditions to premises licences and club premises certificates in order to reflect local crime prevention strategies.

Cultural Strategies

- 10.5 The Licensing Authority will monitor the impact of its licensing function on the provision of regulated entertainment, and particularly live music and dancing. Licensing conditions will only be used to impose restrictions on such events where they are necessary, proportionate and reasonable. Where there is an indication that these events are being deterred by licensing requirements this Policy will be reviewed to investigate how the situation may be reversed.

Transport

- 10.6 Where concerns are raised about the need to swiftly disperse people from town centres in order to prevent disorder and disturbance, the Licensing Authority will make arrangements to liaise with Derbyshire County Council's Local Transport Unit, and any other relevant organisations.

Employment, Planning and Building Control

- 10.7 Arrangements will be made for the Licensing Committee to receive reports on the following, to ensure they are reflected in their considerations:
- the needs of the local economy
 - the local employment situation and the need for new investment and employment where appropriate
- 10.8 In order to avoid duplication and inefficiency the Licensing Authority recognises that applications for licences should not be seen as a re-run of the planning application process and should not cut across planning decisions. Applications for premises licences for permanent commercial premises should normally be from businesses with planning consent for the property concerned.
- 10.9 The Licensing & Appeals Committee will, where appropriate, provide regular reports to the Planning Committees so that they may have regard to the situation regarding licensed premises in the area, including the general impact of alcohol related crime and disorder.

Promotion of Equality

- 10.10 The Licensing Authority recognises that the Equality Act 2010 places a legal obligation on public authorities to promote equality" to reflect the change whereby the 2010 Act replaced and expanded on the previous legislation.

11 Duplication

- 11.1 The Licensing Authority will ensure that in exercising its licensing function it does not duplicate other regulatory regimes, such as planning, pollution control, health & safety etc. eg. legislation governing health and safety at work or fire safety, already places duties on licensees in respect of the safety of employees and the general public.
- 11.2 Conditions in respect of public safety will only be attached to premises licences and club premises certificates where they are necessary for the promotion of that licensing objective and are not already provided for by other legislation.

12.3 Any conditions proposed by the applicant in the operating schedule part of the application shall be interpreted in accordance with the applicant’s intention. Standardised (blanket) conditions will be avoided, but the wording of the conditions shall be clear and easy to understand and enforceable.

12.2 Licence conditions will only be imposed where there is a need to promote the licensing objectives.

13 Enforcement

13.1 The Licensing Authority has established an enforcement protocol with Derbyshire Constabulary and other partners on matters relating to licensing. The purpose of the protocol is to ensure the effective deployment of local authority, police and other partner organisations’ staff in the enforcement of licensing law and the inspection of licensed premises.

13.2 Inspection and enforcement activity will be targeted on a risk-assessed basis with high risk and problem premises receiving greater attention, and those premises that are low-risk receiving a ‘lighter touch’.

13.3 Any enforcement action taken by the Licensing Authority will be in accordance with Derbyshire Dales District Council’s Corporate Enforcement Policy and will take into account the principles of the Regulator’s Code, which are available from the District Council’s Licensing Manager.

14 Live Music, Dancing and Theatre

- 14.1 In its role of implementing its cultural strategies, the Licensing Authority recognises the need to encourage and promote live music, dancing and theatre for the wider cultural benefit of the community, particularly for children.
- 14.2 When considering applications for such events the Licensing Authority will carefully balance the cultural needs with the need to promote the licensing objectives before imposing conditions on licences or certificates. As in all cases, conditions may only be imposed where they are consistent with an operating schedule or on receipt of relevant representations.
- 14.3 The Licensing Authority has obtained premises licences for public spaces within the community in its own name. These areas include parks and recreation grounds, leisure centres and car parks. Performers and entertainers providing only regulated entertainment do not need to obtain a licence or other form of authorisation before using these areas, although they will still need to obtain the permission of the District Council as the premises licence holder.

15 Administration, Exercise and Delegation of Functions

- 15.1 The powers and duties of the Licensing Authority in respect of licensing may be carried out by the Licensing Committee, by a sub-committee or by officers acting under delegated authority. Many of the licensing functions are administrative in nature and in the interests of speed, efficiency and cost-effectiveness the Licensing Authority supports the principle of delegating routine matters to officer level.

- 16.2 The Licensing Authority will include information and advice prepared by the Responsible Authorities in application packs for licences, and encourages applicants to seek early advice from the Responsible Authorities when making applications.
