<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80059	Old Hall Farm Biggin Ashbourne Derbyshire DE6 3FQ	House. Early C18. Brick with gritstone quoins and dressings. Plain tile roof and stone coped gables with kneelers. Central brick stack. T-plan, two-storeys. Projecting brick plinth. South elevation. First floor stone string course. Central doorway with brick voussoirs and stone keystone. Plank door. Flanked on each side by windows with small panes and top hung casements. Each with brick voussoirs and stone keystones. Two similar windows above but with segment heads. Former central window blocked.	II	20/10/1983

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80060	Biggin Mill House Bigginmill Lane Biggin Ashbourne Derbyshire	House. C17. Coursed squared gritstone with gritstone dressings. Plain tile roof and chamfered stone coped gables with moulded kneelers. Brick ridge stack. Two-storeys. South elevation with off-centre doorway with chamfered surround, lintel and massive stone quoins. C20 part glazed door. To the left a 3-light recessed chamfered mullion window. To the right a 2-light and 3-light recessed chamfered mullion window now made into 6-lights by the insertion of a C19 window between the two. To the right again a 2-light recessed chamfered mullion window. The first floor has from left to right, a 2-light window with one light blocked, a 3-light window and a 2-light window, all with recessed chamfered mullions. To the right a C19 external brick stack. The east gable end elevation has a 3-light recessed chamfered mullion window at ground floor and first floor and a similar blocked one to the gable. More similar windows to north elevation also with some C19 insertions. The west gable end has to the ground floor the stone voussoirs of a blocked carriage arch perhaps inserted in the early C19 when this part of the house must have been used as outbuildings.	II	20/10/1983
80061	Duncourt Farm Bigginmill Lane Biggin Ashbourne Derbyshire DE6 3FN	Farmhouse. Late C18 altered in C19. Coursed squared gritstone, plain tile roof and stone coped gables with moulded kneelers. Brick gable end stacks. Two-storeys. East elevation with off-centre doorway with massive stone lintel with quoins, the lintel dated 1799. To the right a C19 casement window with stone voussoirs. To the left an C18 staircase window with stone jambs, lintel and sill. To the left again a similar C19 window with stone voussoirs. Two similar windows to first floor. Inside, a fireplace with massive stone lintel on brackets with moulded cornice.	II	20/10/1983

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80062	Home Farm Cottage Hoonwell Lane Biggin Ashbourne Derbyshire DE6 3FJ	Formerly listed as Alsop Farmhouse. House Late C17 and early C18. Long house type. Coursed gritstone with gritstone dressings. Tiled roof and one stone coped gable with moulded kneelers and brick gable end stack; the other end abuts another range of buildings. Brick ridge stack. Two-storeys. South elevation - two buildings. Left part with off-centre doorway with C20 plank door. To the left a 2-light chamfered mullion window; to the right a 2-light formerly mullioned window and a 2-light chamfered mullion window. Two similar windows to the first floor and a central single light window. Right-hand part double fronted. Central doorway with stone lintel and quoins. C20 plank door. Flanked by 3-light flush square section mullion windows. Two similar windows above and a single light window over the door. The former outbuildings attached at the west end have been converted to dwellings. These until recently had a door lintel inscribed "John Wilcockson 1749" which fell and has been destroyed. Listed for Group Value.	II	13/09/1967
80063	Rose Cottage Nether Lane Biggin Ashbourne Derbyshire DE6 3FL	Cottage. c18, Coursed squared gritstone and plain tile roof with brick gable end stack at north. West elevation with former central doorway, now partly blocked to form a window, with stone lintel and massive quoins. Flanked by 2-light square section mullioned windows. Two similar windows above. Inside, a fireplace with massive stone lintel with moulded cornice.	II	20/10/1983

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80064	Biggin Grange Upper Lane Hulland Ward Derbyshire DE6 3FH	Farmhouse. Early C19 and earlier. Red brick, with earlier gritstone rubble north wall. Plain tile hipped roof, but twin gabled to the west. Two brick ridge stacks and brick gable end stacks to the west. Two-storeys. East elevation double fronted. Central doorway with fluted stone surround and round-arched head. Semi-circular fanlight. Flanked by glazing bar sashes with incised stone lintels. Three similar windows above. Moulded stone eaves band. The gritstone north wall and the differing internal floor levels suggest the remains of an earlier house.	II	13/09/1967
80065	Biggin House Hoonwell Lane Biggin Ashbourne Derbyshire DE6 3FJ	House. Mid C18 with later additions. East elevation ashlar faced with plain tile roof, stone coped gables with moulded kneelers and brick gable end stacks. Two-storeys, five bays, plinth with roll moulding. Central doorway with stepped and moulded surround framed by Tuscan pilasters and entablature with metope frieze. Modern glazed door. Flanked on each side by two glazing bar sashes (each sash with 4 panes) set within stepped and moulded surrounds. Five similar windows above. The whole facade is framed by giant Tuscan angle pilasters and a metope frieze. Moulded eaves cornice. South elevation with early C19 bow through two floors, mid C19 wing to rear and C20 extension all in brick.	II	13/09/1967

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
80066	Hillside Croft Moss Lane Biggin Ashbourne Derbyshire DE6 3FH	House. 1709. Squared coursed gritstone with gritstone dressings and quoins. Plain tile roof and stone coped gables with moulded kneelers. Square section eaves band. Two-storeys. South elevation double fronted. Central doorway with chamfered stone surround and lintel. Massive quoins. Lintel inscribed WW 1709. 2-light chamfer mullion window to the right of the doorway. Formerly a similar one to the left which has had its mullion removed and been made into a doorway. Two similar windows above. Square string band at first floor level with incised initials GM above the central doorway. South gable end with one 2-light chamfer mullion window. East elevation with a two tier staircase window, of 2-lights with chamfered mullions. North gable end with a blocked 2-light recessed chamfer mullion window. Interior. Central lobby entrance plan. Timber staircase with oak polygonal finials to posts at ground floor and half landing. Remains of fretted flat balusters to the attic landing.	II	04/03/1980
