Q5 Do you support, support with changes, oppose, or wish to comment on this part of the Plan?

Support with changes

Q6 Please give details of your reasons for support/opposition, or make other comments here:

The grammatical error in this paragraph confuses its meaning. The singular form of "criteria" is "criterion".

Q7 Which part of the Plan does this comment relate to?

Policy NP16: Design Principles for C3 Residential Development in Two Dales

Q8 Please state the page and paragraph number (if applicable)

Darley Dale Neighbourhood Plan Consultation

Q9 Do you support, support with changes, oppose, or wish to comment on this part of the Plan? **Support with changes**

Q10 Please give details of your reasons for support/opposition, or make other comments here:

As a general comment I feel that the policies should be more prescriptive about what will be permitted and not permitted so as to avoid in the future such planning disasters as the Olympian Way development.

Q11 Which part of the Plan does this comment relate to? **Map 7: Settlements in Darley Dale**

Q12 Please state the page and paragraph number (if applicable)

Q13 Do you support, support with changes, oppose, or wish to comment on this part of the Plan? **Have comments**

Q14 Please give details of your reasons for support/opposition, or make other comments here:

The large village where I used to live before moving to Darley Dale incorporated a detailed map of the future development boundary in its neighbourhood plan. Such a map would be a very useful addition to this plan, even if it is already to be found in a separate document (to which there is no hyperlink from this plan).
