019 Hadeney Lane Traffic Campaign

DDC RESTRICTION

-4 APR 2019

Time..11.41..10th..SUC

Concerning the traffic of Old Madener Lane. and the boundary of 66 house at the bottom of Old Madener Lane. The idea is Ludstrom. It is a lane not a road and very narrow with a very bad bend. I talk of these most days as other people also on there do, to wit. The traffic is terrible and most times unable to pass. and when the Farm Machine is at a time come down. For art sake, they would like pavement with these horse wheels with no thought for anyone. as do the cars and if they could move horses in Madener Lane then God help everyone. This is an accident waiting to happen

also children going to school, Cyclists, and the elderly. No thought is given into the Ludstrom and stupid idea. For Gods sake give it some sensible thought. a Resident

Dartle, Horse Estate
