Rodsley

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
81306	Rodsleywood Farm Rodsley Lane Rodsley Derbyshire DE6 3AP	Farmhouse. Early C18 with late C18 and mid C19 additions and alterations. Red brick, mostly in Flemish stretcher bond, partly rendered. Brick dressings and stone sills. Plain tile roofs with stone coped gables and moulded kneelers. Large central brick ridge stack and brick wall stack to southern bay. First floor brick band except on south gable wall. Two storeys plus garretts and two storeys. Cruiform plan, original house with lobby entrance plan running east west, with late C18 addition to south and mid C19 addition to north, the later additions without garretts, fenestration irregular. South elevation has considerably advanced central gabled bay with rendered gable wall containing two 3-light segment headed casements, one over the other. Each side of bay has blocked windows but east side also has a segment headed doorcase with plank door. Eastern wing has central, probably C19, segment head 3-light casement window, whilst west wing has slightly off-centre original 3-light segment headed casement. Above, it has a large blocked window and to east a C19 segment headed 2-light casement window. Above to eastern wing, is a similar C18 window pushed right up against the central bay. Both east and west gable walls have original early C18 3-light segment headed window on ground and first floors, with similar blocked 2-light garrett window over. Ground floor window to east gable wall, blocked and C19 windows inserted to either side. Interior has oak beams and one stud partition wall. The early C18 central fireplaces have been removed and a staircase inserted.	II	19/07/1985

<b>LB Ref</b>	<b>Address</b>	<b>Description</b>	<b>Grade</b>	<b>Date Listed</b>
81307	Corner Farm Rodsley Lane Rodsley Derbyshire DE6 3AP	Farmhouse. Early C18 and c1880, with minor later alterations. c1888 wing is of red brick with painted stone dressings and has plain tile roof with brick gable stacks and dogtooth eaves band. Early C18 wing is of partly rendered and partly painted brick with brick dressings, plain tile roof and large central brick ridge stack. Both wings two storeys, early C18 wing of two bays with lobby entrance plan and c1880 wing, to north, three bays. This wing has central doorcase with plain stone lintel, flush door and plain overlight. To west, a plain sash under stone lintel and above three similar windows. Early C18 wing has segment headed doorcase with C19 glazed door and 2-light segment headed casement windows on different levels to either side. Above, two similar windows, that to south with sliding sash and that to north with small opening casement. Rear elevation has lean-to with shallow upper windows. Interior has large inglenook fireplaces with chamfered bressumers and low chamfered beamed ceilings to both rooms Listed for Group Value.	II	19/07/1985
81308	Corner Farm Rodsley Lane Rodsley Derbyshire DE6 3AP	Barn. Mid C18 with later additions and alterations. Red brick with brick dressings and plain tile roof with stone coped gables, also dogtooth eaves band. Mostly single storey, but with two storey extension to north. Tall segment headed arch with stone impost blocks and large double plank doors to south of centre. To south, an inserted square door, and beyond a segment headed doorcase with plank door. To north of archway an inserted pair of C20 doors and beyond, the later extension with small segment headed window and doorcase with similar head beyond. Above this doorcase a square hayloft opening. The whole of the C18 part of the barn is covered in diamond patterned breathers. Included for group value only.	II	19/07/1985

81309	Rodsley House Rodsley Lane Rodsley Derbyshire DE6 3AL	<p>House. Late C17 with late C18 addition and various later alterations. Box timber framing with brick nogging and red brick with stone dressings. Plain tile roofs with brick gable stacks, that to south external. Four bays, two southern bays C17 and timber framed, two northern ones C18 and red brick, both two storeys, but C17 wing much lower. Late C18 wing has a rendered plinth, painted stone sill bands to ground and first floor, a vernacular variant of a modillioned cornice and stone coped gables. The doorcase is moulded with a fluted and roundelled entablature, below is a raised and fielded panelled door and a divided overlight. To north is a glazing bar sash under wedge lintel with incised voussoirs, and double keystone . Two similar windows above. C17 wing to south has two C19 casement windows to ground floor. Above, the eaves have been raised and two casements inserted. The interior of this section has large inglenook fireplace with chamfered bressumer, original wattle and daub infill panels to partition and large oak floorboards below later boards. The interior of the C18 wing has several interesting features, including C18 Adam style fireplaces to ground and first floor rooms, that to ground floor flanked by ogee headed panelled cup- boards, decorated with swags. Also an C18 stick baluster staircase with moulded mahogany handrail, fine acanthus leaf or moulded cornices to both rooms and a stone flagged hall. Listed for Group Value.</p>	II	13/09/1967
